

Fire Roll Call System

EMPLOYEE'S LOG ON & OFF THE FIRE REGISTRATION
(PROXIMITY, BIOMETRIC OR SWIPE OPTIONS)

IN THE EVENT OF A FIRE OR ROUTINE FIRE DRILL

INSTANT FIRE ROLL CALL IS PRINTED AUTOMATICALLY

Self Install & Fully Installed Options

In the event of a fire or drill the **Fire Roll Call System** will automatically print off a Fire Roll Call of who is IN and OUT of the building. This can be printed to suit you in fire assembly, departmental order for example.

The **Fire Roll Call System** is reliable as it does not rely on a PC or network. However, it is also possible to spool the fire printout to a PC printer on the network.

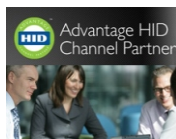

Sample Fire Printout
