DIY INSTALL

Wireless Wi-Fi Video Doorbell

Easy to install wireless Wi-Fi video doorbell. Can fit well on commercial or residential entrances.

Whenever a motion is detected, the camera streams an image to your mobile device to alert you of any activity of anyone approaching your door – allowing you to take action.

Never miss a parcel delivery with the built-in 2 way audio to talk to the driver as they ring the doorbell.

- Rechargeable battery powered
- 1080P HD video and live streaming
- 166 degree wide angle lens
- 16G SD card
- 2 way audio intercom
- Motion alert to your mobile device
- IR night vision
- Up to 5 users per device
- Unlimited doorbells per device
- IOS and Android phones are supported
- DIY install
